*****MEDIA ADVISORY*****

ATLANTIC CITY, NJ – **FRIDAY, MARCH 28TH**, please join Mayor Frank M. Gilliam, Jr., the South Jersey Transportation Authority (SJTA), and Stockton University to oversee the installation of Osprey Nesting Boxes in the marsh near portions of the Atlantic City Expressway. The Osprey Nesting Boxes are made possible by the Roadway Environmental Advancement Initiative (READI) through the SJTA. The Osprey resurgence has been an environmental success story in Atlantic County and we invite you to come see our latest addition to the resurgence effort.
